LB 112  
LR 43

in Room 1507, and Government will meet in 1510.

SPEAKER BAACK: No objection, so ordered. While the Legislature is in session and capable of transacting business, I propose to sign and do sign LR 43. We will pass over Item 5 on the agenda, Senator Withem is not here, and we will go to Item 6, Select File for one hour and LB 112.

CLERK: Mr. President, LB 112. Senator, I have E & R amendments pending, first of all.

SPEAKER BAACK: Senator Hohenstein.

SENATOR HOHENSTEIN: Mr. Speaker, members of the body, I move the adoption of the E & R amendments to LB 112.

SPEAKER BAACK: You've heard the motion to adopt the E & R amendments to LB 112. All those in favor say aye. Opposed no. They are adopted.

Now, the original bill, I think, required that to be in the county clerks office, or maybe the county treasurers office. But, in any event, the amendment allows even more flexibility. It allows the county boards to consolidate the functions under the office of either the county assessor, the county clerk, or the county treasurer for all other counties, except the county of the metropolitan class, and there the county board would designate the county treasure to
